WHY CONSIDER ADDING SPINAL DECOMPRESSION THERAPY? 10 REASONS TO ADD SPINAL DECOMPRESSION

1. New Revenue Streams: Cash or Insurance, Workers Comp. / Personal Injury
2. Less doctor physical stress
3. Increase treatment options: Back, Neck, Hip, Knee, Carpal Traction/Decompression
4. Increased patient volumes
5. Increased results on disc patients
6. Increased MD referrals
7. Spinal traction/decompression is highly effective and well researched
8. We educate you how, when, why, and who are candidates!
9. Tax advantages 50% ADA and Section 179
10. Stop losing disc patients to other clinics.

We invented affordable
decompression in the early 2000's
